

Being a part...

Here at The Garden Christian Fellowship, we aim to "grow a passionate **community** of fully-dedicated disciples who will influence their world for Jesus Christ." **Community** is one of the core values of our church, and it takes place in our small groups called **Community Groups**.

In **Community Groups**, accountability and fellowship take place in small, intimate settings. Individuals share life experiences together and form genuine, lasting relationships founded on the Word of God.

Are you looking for a place to belong? Feeling the desire to grow spiritually in the context of supportive relationships? Do you wish to be a part of something meaningful and encouraging? Join a **Community Group** today and be a part of **community!**
